Lemon Grove Fire Department Now Ready to Answer Calls

**In Case of Fire
Call H 6-4310**

The Lemon Grove fire department is ready to receive calls for fires.

The fire station has been assigned H 6-4310 by the telephone company, and when this number rings it sets off a bell which informs the firemen that it is a fire call. So do not use this extension in case of fire.

Another telephone has been installed at the station for business use, and when the public desires to talk to firemen concerning personal matters H 6-1459 should be dialed.

Eight call men have been employed at \$20 per month each. A. C. Anderson, an experienced fireman, heads the list and he has been named chief by the Commissioners. He will train the men in the art of scientific fire fighting.

Chief Anderson is working out a schedule for the call men, so that each one will put in a certain number of hours at the station each month.

The Commissioners met with the County Auditor last week in preparation for the budget of the local district for the ensuing year.

The phone number of the fire department appears at the top of this page. Clip and paste it near your phone or in the front of your phone book.

Music Program at Lutheran Church

Orben Sime, using a strange array of musical instruments, will give a sacred musical program at Lemon Grove Lutheran Church, May 18, at 7:45 p. m. Orben Sime, a Wisconsin farm boy, who at the age of 12, built and played a most unusual instrument, has emerged a fine musician.

His concert in Lemon Grove Lutheran Church, Corner of Skyline and Alton, on Friday, May 18, is open to everyone. No admission will be charged. A free will offering will be received at the close of the concert to assist Mr. Sime in bringing his program gratis to the Army and Navy Hospital wards.

Having traveled 30 years through 44 states, Sime has presented thousands of concerts in churches.

The 60 minute program of sacred music features hymns sung in English, Scandinavian and German and a variety of instrumental music produced by instruments of unusual nature. Among these is the Fork-Cello, a one stringed instrument originated by Mr. Sime and perfected by the late Knute Reindall, who was a famous violin maker and wood carver. Even more unique is an instrument with no strings or keys, the Theremin, which is controlled entirely by static from the human body. This musician has the distinction of being America's foremost Hymn Thereminist.

As an honorably discharged sergeant in the U. S. Army (World War II) he is bringing this mission to the men in the veteran hospitals. Working through the Chaplains, Red Cross and Public Relations, he volunteers his service gratis.

Walter Reed Hospital, Washington, D. C. and Marine Hospital, Seattle, Washington are among the large hospitals to which this missionary of music has brought his programs, also the Great Lakes Naval Station Hospital; Camp McCoy, Wisconsin; Fort Snelling, Minnesota; Ft. Lawton, Washington; Ft. Sheridan, Ill.; Ft. Francis E. Warren; and many other places as well as churches and private and State institutions.

Harbor Story Told Kiwanis

N. C. Ryan of the San Diego Harbor Department, was the speaker at the Kiwanis Club Wednesday noon.

He told of the bigness of the harbor department, how it operated and what it meant to the San Diego metropolitan area to have a business of that nature operating here.

The harbor department derives no funds from taxes, and is entirely on its own. It is operated as a business concern, and brings in some sums of money in commercial channels every year.

Mr. Schaubelt has been secretary and treasurer of the United Taxpayers' Association and is at present secretary-treasurer of the Vista La Mesa Civic League. His experience in financial and civic organizations qualifies him to pass a critical eye over the school budget and his supporters feel that his experience would be a genuine asset in obtaining full value for every dollar spent.

Mr. Schaubelt has stated that he is interested in the welfare of all children and that he is eager to assume responsibility. In urging his election, his supporters feel that he is well qualified for the position he seeks, that he is well-educated, broadminded, aggressive, tolerant of the views of others, and that he is young enough to be flexible in his views and yet old enough in business experience to provide balanced judgments.

Church Leader Here Sunday

Rev. Clarence Solberg, assistant executive director of Home Missions of Evangelical Lutheran Churches of America, is making a tour of the West and visiting all Lutheran Churches which have been established by the Mission.

The Lemon Grove Church, made possible by the organization, will be visited and Rev. Solberg will be the guest speaker Sunday morning at 10:45 a. m.

Lions Club to Buy Resuscitator

The Lemon Grove Lions Club is sponsoring the purchase of a resuscitator for this community. The club will put on a party at VFW Hall Saturday evening, May 26, for the purpose of raising money to start the resuscitator fund.

Buying a resuscitator is a big project, and an instrument that will be a valued adjunct to the fire equipment.

H. Carpenter, treasurer; Mrs. Robert Burns, delegate to city council; Mrs. Donald Beebe, sergeant-at-arms.

Mrs. Argo will be assisted by Misses Willis Richardson, Clarence Ranning, Mary Jeanne Cobb, Eleanor Hale, Harold Emerson and O. L. Lueker.

Theta Omicron members are serving as committee chairmen in arranging the annual Officers' Training Conference for members of 11 chapters of the county, set for May 26 in the U. S. Grant Hotel. Mrs. Argo has been named general chairman of the conference.

Preceding the forums and model meeting, a luncheon and style show will be held. Mrs. Richardson is serving as chairman for luncheon arrangements, and Mrs. Ellis is arranging the style show. Other chairmen include Mrs. Greenlee, forums; Mrs. Beebe, registration; Mrs. Emerson, signs; Mrs. Burns, decorations; Mrs. Martin, table favors.

Mrs. Beistline, noted as a talented ceramicist, has designed and fashioned ceramic favors featuring the traditional Beta Sigma Phi yellow rose. Each of the approximately 150 members attending the luncheon and style show will receive one of the attractive gifts.

Lemon Grove Stores open Friday evenings till 9.

Review Urges Support for Edw. M. Kinyon

Edw. M. Kinyon is making an aggressive campaign for the office of Grossmont Union High School trustee.

There is one vacancy this year, and his opponent is Mr. Cooper, incumbent from El Cajon.

There are two trustees from El Cajon, two from La Mesa and one from Lakeside elementary districts.

Many people feel that the high school board should be more diversified, with representatives from more districts, instead of having five trustees from three districts.

Therefore Lemon Grove is offering a candidate in the person of Mr. Kinyon, whom we feel is well qualified to fill the position on the board.

Lemon Grove is entitled to representation, and more and more people are beginning to realize that fact as each election time approaches.

This community has had three candidates in the past three years, but was unable to crystallize enough sentiment in our favor to elect a candidate.

This year we hope to succeed. Not that we are offering any better candidate than we have in the past, but that we are finally selling the idea to the people of the high school district.

Offers of support are coming to Mr. Kinyon from wide areas of the district, from people who feel that our claim is just and they are willing to help spread the representation throughout the district.

Having the high school trustees from widely separated parts of the district cannot but help to increase the efficiency of the board, in that the trustees are then in touch with more people over the far flung elementary districts which so make up the vast Grossmont High School District.

Mr. Kinyon has every qualification to make him a good trustee, and the Review has no hesitancy in offering him to the people of the district.

Tell all your friends to support Mr. Kinyon, spread the word throughout the district that we feel entitled to representation, and you will be surprised at the good response you will get.

And then go to the polls next Friday and vote.

Kinyon Statement

EDW. M. KINYON

I feel that the rapidly growing community of Lemon Grove should have a representative on the High School Board.

Our children will attend the new Helix High School on University near Massachusetts.

If a representative from this district is placed on the board, the entire Lemon Grove District will be in a better position to work with the school.

When problems arise, we should have a resident who is familiar with our needs and desires to pitch in and present them for consideration.

If elected I shall attempt, to the best of my ability, to fulfill the obligations of the position you have entrusted to me.—Edw. M. Kinyon.

"We have placed six Parmenter Red pullets in a special pen in the store," Whitted said. "Each pullet will have a wing-band number. The idea behind this Pullet Derby is to see which will lay the first egg. The pullets are 12 weeks old as the Derby begins."

During the Derby, visitors may enter the contest too, by selecting an approximate date she lays that egg. Entry blanks will be available during the entire Derby and many prizes will be offered for the best poultry judging.

First prize is an electric clock, second a bun warmer, third a pair of kitchen shears. In addition to these major prizes, the first 20 adults to try to pick a winner will be given handy pocket memos.

While the race is on, each pullet will be fed the identical ration—Purina Growena, with formula "1023" added.

April Building Tops \$2 Million

April was a big month in building for the Lemon Grove Zoning District.

Total in new buildings and alterations amounted to \$2,018,378. The second nearest in dollars was March with \$375,554. This puts Lemon Grove far in the lead in building permits in the unincorporated areas of San Diego County, and easily classifies Lemon Grove as the fastest growing community in the State, and possibly the nation.

And there is a reason. We have the finest climate on earth.

Broken down, the permits were issued as follows:
New single dwellings, 262 valued at \$1,609,163; 16 duplexes at \$43,000; nine commercial buildings at \$256,750 and alterations of all kinds \$32,474.

CAPITOL-COUNTY
News Letter
BY
ASSEMBLYMAN RALPH R. CLOYED

1. Coronado Tunnel.
2. School Financing.
3. Control Brush Burning.

These bills being considered by committees in the California State Legislature are all measures that affect San Diego County.

Receiving a do pass recommendation by the Transportation Committee of the Senate are two enabling acts creating the authority to construct a tube between San Diego and Coronado. Both acts would be subject to the approval of the voters of both cities and would authorize the issuance of revenue bonds at an estimated cost of \$28,000,000.

Bills, authored by Sen. Kraft, were supported by Coronado Councilman Arthur Chytrus and City Attorney J. R. Goodbody and San Diego by Shelley Higgins and Louis Karp from the City Attorney's office. The acts also provide financing provision for the purchase of the San Diego-Coronado Ferry Company. This was supported by Donald E. Hansen, Vice President of the Ferry Company. He wanted the provision to purchase mandatory and that the 150 employees of the Ferry Company should be entitled to severance pay in the event the tunnel is built.

School Financing Program has been presented to the Assembly Ways and Means Committee by Arthur F. Carey, Executive Secretary of the California Teachers' Association. The Assembly bill 1985 asks for \$48,000,000 school aid. This money would be divided \$30,000,000 to the elementary schools with an additional \$10,000,000 for districts with excessive growth, \$3,000,000 to high schools, \$2,000,000 to junior colleges and the balance of \$3,000,000 for transportation. The change would increase the basic allocation on the average daily attendance from ninety cents to one dollar. An attempt to eliminate the \$48,000,000 extra money was voted down by the committee and another amendment offered, to place a sales tax on cigarettes, will be given further consideration next week.

Control Brush Burning bill carrying an appropriation of \$41,000 to provide two crews for Southern California, designed as a preventative measure against disastrous fire and as a water conservation measure and to provide additional grazing land, has been sent to the floor of the Assembly by the Ways and Means Committee.

The Draw Polter bill passed the Assembly by a vote of 61 to 9 and has been sent to the Senate. Three attempts to change the bill with amendments were defeated. One amendment would have extended the ban to can-

asta, bridge and gin rummy.

Crime Measure was signed by Governor Earl Warren, with the comment, "That's fast work. The Kefauver Crime Investigating Committee just asked the states and the federal government to pass similar laws, and here we are already signing ours." The bill prohibits any person operating an illegal business from deducting the cost of such operation from his income tax report. The bill carries an emergency clause and will take effect immediately.

Anti-corruption Insurance Bill to outlaw a practice of forcing buyers to place insurance with agents designated by dealers or lending companies has been signed by the Governor. This marks the end of a fourteen year battle between brokers, agents and finance companies.

Private Schools no longer will pay property tax under Assembly bill 3383, now that this bill which exempts non-profit schools from taxation has been signed by the Governor. California was the only state which had not already authorized such exemption.

Among San Diego County visitors at the Capitol this week were: Dr. Robert Griffin and wife of Chula Vista; Kenneth Goodman of Ryan Aeronautical Company of San Diego; Edwin E. Pumala, San Diego County Camp Commissioner; Supervisors Dan Rossi and Frank Gibson; J. E. Dambo, Superintendent of Art Beale School, Escondido; Elmer M. Walker, Superintendent of Schools, Lakeside; and Ralph D. Powers, Poway.

Lower Meat Prices Coming

On October 1, 1951, meat prices will be 10 percent lower than they were Saturday, April 28, 1951.

That's what Price Stabilizer Michael DiSalle announced last week. Mr. DiSalle has it all worked out. According to the timetable he released, the price reduction is scheduled somewhere as follows:

On Monday, May 7, all packers and slaughterers grade beef according to set standards. Two days later, Wednesday, May 9, wholesale price ceilings go into effect. Retail price ceilings swing into play on May 14. These ceilings will vary from butcher to butcher and, it seems, won't lower the price of meat particularly. Somewhere around May 20, then, packers and retailers will be held as to the prices they pay for meat at the slaughterhouse. By June 3, retailers will have to post ceiling prices.

After a short passage of time, on August 1, wholesalers and retailers will get new price schedules—a cut of 4½ percent for wholesalers, and a projected retail cut some days later of some four to five cents a pound. Then, on October 1, another cut. Bingo! Meat prices, Mr. DiSalle says, will be 10 percent lower than at present.

Other than the fact that Mr. DiSalle (who by the way has a great reputation for wit in Washington) leaves the farmer free to sell meat for whatever he can get, only one thing really puzzles us about all this: If it's so easy for the boys to roll those prices back, why don't they roll 'em back all the way, to pre-World War II levels, for instance, when hamburger was somewhere around two bits a pound and a person could afford steak once a month.

Lemon Grove School News

Monterey Heights School

Sixth grade students of Clarence Allen of the Monterey Heights School presented a "radio broadcast" on Tuesday evening at the P. T. A. meeting at the school. The program was part of the P. T. A. Health program, and the script dealt with the prevention and treatment of contagious diseases. Participating students were James Glazebrook, Judy Holcomb, Audrey Hasse, Tommy Best, Bobby Whitmoyer, Ardis Cross, Blair Andrews, and Daniel Zastoupil. Members of the school Glee Club, under the direction of

Paul Cheatham, sang several numbers.

Plan Summer Recreation Program

Plans for a summer playground recreation program at the Monterey Heights School are progressing well, according to Louis Poluzzi, fifth grade teacher. The program is sponsored by the County Board, the local Board of Trustees, and the Monterey Heights P. T. A., and it will include a program for children from the first through the eighth grades.

Mrs. Geissler, second grade teacher at Monterey Heights School, is seriously ill at Paradise Valley Hospital. Mrs. Richards, third grade teacher, who recently underwent major surgery at Mercy Hospital, is recuperating at her home. Both teachers have been missed by students and faculty at the school, and it is hoped that they will soon return to their classes.

Lemon Grove School

Byron L. Netzel, District Superintendent of Schools, left Tuesday afternoon for Sacramento where he will confer with the State Allocation Board. His purpose is to secure the approval of the recent bid of Ruggers and Foster, contractors for the additions to the Vista La Mesa School plant.

Mr. Netzel also will discuss a transfer of funds to our account for the first in a series of payments to the contractor now constructing classrooms on the Golden Avenue Unit. Although this money has been made available to the district, the final step in transferring the money has not gone through all official channels. It is hoped that in the future some method will be found whereby all the funds will be released by the State Department of Finance automatically.

ly, thus eliminating the present delay.

While in Sacramento, final approval will be obtained by Mr. Netzel for the purchase of the San Miguel site for a new elementary school. Agreements have been reached locally and the deal is now in escrow. Shortly thereafter bids will be asked on the construction of this new school.

Due to the successful passage of the recent tax election, the Lemon Grove Board of Trustees adopted a salary schedule which will provide a \$300 increase for each teacher in the district, in addition to the \$100 increment provided by the old schedule. Teachers' contracts were prepared and issued this week, and all were based on the new schedule.

The Board gave teachers assurance that further revision would be considered in the event that increased funds from the State become available in an amount that would make this possible.

Elementary School Track Meet

Sixth grade students from R. Sutton's class and Mrs. J. Mason's room of Lemon Grove Elementary School, met in a track meet last Friday.

Mrs. Mason's students compiled a 30-18 victory in the event. A good deal of the points for the winning team were made by Warren Hagen. In addition to his winning efforts, he finished second in numerous events.

Gary Calvert performed well for Mr. Sutton's class, scoring many points.

"Grover" Staff Visits Review Offices

Boys and girls of the 8-4 class, all members of the school paper "The Grover" staff, visited the Review last Thursday afternoon as a part of their study of newspaper work and journalism. All the students were impressed with

this first-hand knowledge and experience of a newspaper plant. They wish to express appreciation to Mrs. Graham, who guided the tour during a busy afternoon, when the paper was preparing to go to press.

Students who made the trip with Mrs. Darroch were Roger Conlee, James Pratt, Paul Beighle, Kay Kish, Darleen Chambers, Barbara Ropp, Jerry Tucker, Irvn Brown, Dye Ann Datta, Barbara Balch, Johnny Lovett, Gordon Hedberg, Wanda Turner, Sonny Bever, Marilyn Bunch, and Barbara Clifton.

The second annual Faculty-Students softball game will be held at the Lemon Grove Junior High diamond tomorrow (Friday) at 1:15 p. m. Last year the faculty team tripped the students, 9-0, in a well-matched game.

The public is invited to attend this free ball game.

Mr. Dorman has served the district for 4 1/2 years and his experience is invaluable to the school. Being an attorney his aid in making up contracts, legal interpretations of school law and in legal transactions for the school has aided materially in the development of the Lemon Grove School System. His loyalty to the children and school program is above reproach. His attendance at both regular and special meetings of the Board is practically perfect.

SIXTEEN major-league ball clubs are under way again in two of the closest-looking pennant races in many seasons. In the absence of important rookies through the last ten years, the main burden will fall upon veterans, who have been writing most of the story from one campaign to another since 1941.

This means Stan Musial, Joe DiMaggio, Ted Williams, Country Slaughter, Phil Rizzuto, Pee Wee Reese, Eddie Stankovic, Bob Feller, Hal Newaver, Exell Blackwell, Johnny Mize and many, many more.

Baseball is now, in the main, an old man's game with only a few younger stars crowding into the picture. Wars and drafts have more than cut into its natural growth. The scene has changed only slightly from a year ago on this April date.

In 1950 the pennant contenders in the American League were New York, Boston, Detroit, and Cleveland. The same four are rated in the hunt today with Red Rolfe's Tigers rated farther back, due largely to the loss of their star young pitcher, Art Houtteman.

Of these four contenders the Boston Red Sox have drawn the strongest help in the persons of Lou Boudreau, a fine infielder and an inspirational field leader, plus Bill Wright and Ray Scarborough, two first-class pitchers.

Tom Yawkey, the Red Sox owner, is a very stubborn person when he sets out for a goal. He also has what it takes to reach that goal, if you give him time enough and a few breaks. The race in the American League among the Yankees, Red Sox and Indians should carry deep into September's stretch.

In the National League a new entry has moved into the picture as far as the pennant race is concerned. This new challenger is Leo Durocher's New York Giants.

The Giants now move alongside with the Dodgers and the Phillies, possibly the soundest club in their circuit. Chuck Dressen's Dodgers have the best team in baseball, outside of the pitchers' coral. Here they are weak, or at least uncertain.

The National League has the better chance for a keener pennant race. Outside of Giants, Dodgers, and Phillies, rated for a photo finish, the Braves and Cardinals can be quite annoying. Both can cause deep trouble and bring much

anguish to the leading contenders. So can Luke Sewell's Cincinnati Reds, who have been moving up steadily with a younger ball club that should now be about ready. Ten- and twelve-year veterans can't rule this game forever.

The Phillies and Reds have most of the new material baseball has collected recently and this may begin to show for the Reds this summer. It won a pennant for the Phillies a year ago. With Curt Simmons around, I think the Phillies would have won again. They may, anyway.

There are many weak spots in the leading teams from both leagues. No one knows yet how many games the brilliant Joe DiMaggio, a great ballplayer, can handle. No one knows how long Ted Williams' shattered elbow will stay in place. Stan Musial seems to be better set for another year of stardom than anyone else.

It is quite possible that Lou Boudreau will have more effect upon his mates than any other single player. For Boudreau moves into a lethargic squad that needs waking up. If the Red Sox can't win the pennant this season, Tom Yawkey might as well fire the entire squad and start from scratch again. The rejuvenation of the Giants will be one of baseball's most helpful features. The game has needed them badly in past years. The feats of magic to be shown again by the remarkable Casey Stengel will be something to watch. You can be sure that Stengel will get as much out of his line-up as any manager now in baseball. At least he has for the last two years.

The Case of Johnny Mize

In Mantle and Morgan, the Stengel Yankees have possibly the two best rookies in either league. It might work out that way. They have another member of the "M" club in a fellow known as Mize, who isn't a rookie.

It has been a matter of 21 years since Big John, the demon of Demorest, Ga., reported to Greensboro as a first baseman.

In 1931 Mize was batting .337 and he has been a .300 or not far from .300 hitter ever since. He ran into a streak of 15 consecutive years with various teams when he batted an average of .330.

Big John has always been a gentle, easy-going fellow and practically everyone who knows him likes him. He never had the speed to beat out hits after the manner of Cobb, DiMaggio, Jackson, Speaker, Williams and other star hitters. His hits had to come the hard way—earned with his bat and not his legs.

SHORT STORY

Secrets Are Bad

By Richard H. Wilkinson

NO ONE caught on to my secret. Not Sheila. Sheila was smart. Pretty, too. She had smoky gray eyes and titian hair and pure white skin.

We met at a winter sports house-party up in New Hampshire, and the next Monday, back in Boston, I took her to lunch. "I've some friends I'd like to have you meet," I said. "They have an apartment out on the Fenway. Suppose we run out tonight?" She looked at me with a sudden flash of her smoky eyes, and I said quickly: "Sounds like a stuffy evening. I suppose. It won't be Bette and Gill are O.K. You'll like them."

"I'd love to go," she said. And so that night we called on Bette and Gill.

On the way home Sheila said she'd had a grand time, which is why I've always marveled at Bette and Gill, because we'd done practically nothing.

"I like them," Sheila said. "They're married and they seem happy."

"They are happy. They've been married six years and they're happier than when they started. I've known 'em both since high school."

Well, during the six months that followed I saw a lot of Sheila, and together we saw a lot of Gill and Bette. One night I went up there without her, and you'd think those two had been waiting for an opportunity to get me alone.

"Say, listen," Gill said, "you're getting old. I mean, here we've been married six years and you're not even in love."

"How would you know about that?" I grinned at him.

"I know it," Bette cried delightedly. "It's Sheila! He's in love with Sheila! Oh, Jim, we think that's grand! She'll make you a wonderful wife!"

"Sheila's all right. Good company. So are the dozen other girls I've been bringing up here."

Gill shrugged. "O.K., Jim. We've been hoping you'd fall for one of them, because you're missing some thing—not being married."

TWO nights after that I saw Sheila. I went to an in-town hotel to dinner and dance. Around 10 o'clock I suggested we leave and run out to Gill's and Bette's. But Sheila shook her head, and I looked at her in some surprise.

"They're nice people," she said. "I like them, but I'm a little tired of being an excuse."

"Excuse?"

"I've heard about the other girls. They were all excuses, but I'll bet they didn't know it."

"Now, wait a minute," I said. "What is this?"

"Call it a game, if you like." She looked at me steadily. "Jim, you'd better give up. Gill happens to love

"I knew it," Bette cried delightedly. "It's Sheila! He's in love with Sheila!"

his wife and I have an idea he'll keep on loving her."

"I flashed angrily. 'Of course he will. Who says he won't?'"

"Nobody. But you hope he won't."

"I hope what? What the devil are you talking about?"

She sighed. "Oh, Jim, stop pretending. You're in love with Bette. You've been in love with her for so many years you've lost count. You kept bringing pretty girls up there, hoping he'd fall for one of them, hoping she'd break up their match. Then you'd have a chance with Bette."

"Stop!" I yelled. "You're crazy!"

"No I'm not. I'm quite sane. What kills me is that neither Gill nor Bette have caught on." She stopped and bit her lip. "Well, it's none of my affair, but I'll tell you the only inspiring people I've ever known. And I'm all for letting them stay that way. From now on, count me out."

I shrugged. "O.K. You're out. There are two dozen others out with you. But you're the first who's guessed the reason." I sighed. "I guess I'd better quit. Gill and Bette think I married you I'd be getting a prize. I'm beginning to agree with them. Will you marry me?"

"No," said Sheila.

Which is what a chap gets for having a secret like mine.

Suffering Stomach Distress, Aches and Pains,

When Due To Deficiencies of Vitamins B1, B2,

Mrs. Anna Lucergue, Church Point, Louisiana: "You don't know how wonderful it feels to be in such good condition—after feeling run-down, I had a very poor appetite—in fact, food didn't agree with me at all. I had a hard time sleeping nights . . . sometimes I would stay awake until one or two in the morning and then the next day I would feel tired and groggy all day long. You have no idea how terrible I felt. Now all this is gone . . . yes, now that I have been taking HADACOL, I feel wonderful. I get lots of good, sound sleep, have a fine appetite and just lots of energy. I can eat any kind of food now and it doesn't bother me a bit. I just can't begin to thank HADACOL."

F. W. Horton, 108 7th Ave., Houston, Texas, says about his little son: "Lee was very weak and run-down and just didn't want to eat at all. We heard about HADACOL and decided that was what Lee needed. After he started taking HADACOL his appetite picked up right away. He started gaining weight and eats real well now, and has been feeling real good. HADACOL has been good for Lee and I heartily recommend it to everyone."

Richard Krabill, 3118 Marfield Road, Toledo 14, Ohio: "I am an apprentice pharmacist and I go to the University of Toledo. Going to school and working until 9:30 gets pretty tiresome. I was getting tired and run-down keeping pace with all I had to do. Being married and having a family, I am compelled to work after school. I work in a pharmacy here in Toledo. After selling HADACOL here in the store, I decided I'd try it. You have no idea how much it has picked me up. I'm telling you truthfully, HADACOL is the answer to all my tiredness from sitting up late at night doing homework after I come home from work. Already I have won customers on HADACOL. I am 31 and a veteran of World War II."

Davies - Hadaway Marriage Rites

Culminating a romance which

started in Japan, William Em-

mett Davies, Jr., U. S. N., son of

Mr. and Mrs. W. Davies, 2046

Dayton, and Miss Martha Ann

Hadaway recited marriage vows

at First Congregational Church

Wednesday evening at 8 o'clock.

The Rev. Dan Apra read the

rites by candle light in the pres-

ence of 100 guests.

Palms and large baskets of

white and pastel gladioli decorat-

ed the sanctuary.

The nuptial music was played

on the organ by Mrs. Martha

Thomas, who also accompanied

Miss Eleanor Englestead who

sang "O Promise Me," "I Love

Thee," and the Lord's Prayer

during the ceremony.

The bride, escorted to the altar

by William E. Davies, Sr., was

charming in an ankle length

gown made of white lace and

nylon with long pointed sleeves.

The full ballerina skirt was made

of white nylon net. Her shoul-

der length veil was fastened to

a crown of matching net. She

carried an orchid bouquet with

showers of asphodels.

As matron of honor, Mrs.

Elizabeth Phillips wore a frock of

pale green taffeta, a coronet of

matching net and carried a nose-

gay of pink and white carnations.

Robert Bell, classmate and

Navy buddy of the bridegroom,

was best man. Ushers were

buddies from the U. S. S. Dixie,

Ray Hunter and Garland Mitch-

ell, the latter having been a

school mate of the bride in Gulf-

port, Miss.

The bridegroom's mother wore

a lilac nylon print with orchid

corsage a floral hat and white

accessories.

The bride's parents, M. Set-

and Mrs. E. J. Coppelich of Gulf-

port, Miss., were unable to be

present due to the illness of the

father. He had been wounded

in Korea and was undergoing

surgery in a hospital in Texas.

Following the ceremony a re-

ception was held at the bride-

groom's home for 50 guests,

among whom were Mrs. Merle

Krebs and Mrs. Clifford Lund,

of Long Beach.

The bridegroom was graduated

from San Diego High School in

1946, entering the U. S. Navy

that Fall. While on duty in

Japan he met Miss Hadaway

when he and others in service

were entertained for Thanksgiv-

ing dinner in the home of her

parents in Sasebo. The wedding

day also marked his birthday

anniversary.

The happy couple are on a

honeymoon up the coast and up-

on their return will reside in

Hillcrest.
